Ref: My apologies;
I forgot to include the dates of the currently held reservations for the Marston Theater when i sent the comments and request for you to have your staff or another agency host, hold, and make happen, an Energy Forum for public participation to be conducted here in Anchorage while you were visiting the rural areas in preparation to your return to Anchorage and subsequent anticipated meeting-s..

The Contact Person is Bill Fowler--facilities
@ 343-2906 E-mail ??
A reminder; The Marston has a direct live video feed hookup to GCI cable control room and these hookups are not located just anywhere.

The Marston is reserved for May 8,9, and the 10 and he needs to be notified pretty soon, say mon or tuesday of this next week to hold those dates.

May 8, thursday 7 am to 5pm
May 9, friday 7 am to 5pm
May 10, saturday 7 am to 12 noon

Those were the only real dates that were not all chewed up or unavailable. They may have some mechanism for holding availability that i am not aware of.. this is not uncommon in the business,, i think,,

Well, again my apologies for the omission..

Thank You,

Paul D. Kendall

Very odd response of hers. I'd think Walt could respond to her complaint about "cut DPS budget"- her response tells us she doesn't want to hear from me. Do you want to forward her complaint to Walt? No need to address her gripe against Joe, that will fall on deaf ears except to say (as you point out) he's had a standing invitation to hear from the union and work with them. Joe's doing an outstanding job through this, btw.

Governor:

Ms. Kozloff sounds pretty emotional. I will have operating budget numbers on several increments we supported for DPS and DOC from Mary Sutton at OMB tomorrow and would like to send that information to Ms. Kozloff. She is certainly entitled to her opinion, but she should be forming that opinion on the true facts about the budget.

I will also work on a response about the situation with Commissioner Schmidt. I believe that for at least the last month Joe has had a standing offer to sit down with the union and work together to resolve the issues. I think the union refused to meet with Joe and resolve any issues because that would not have fit well with the way they were portraying Joe to members or helped steer their no-confidence vote the way they wanted. These guys were trying to bully Joe and us. I will add a few sentences that the Commissioner continues to wait for the union to come to the table and get to work on the issues.

Several individuals like former DOC Commissioner Margaret Pugh who know how this union operates and who know him have written in support. We received another e-mail of support yesterday from a former Director of Institutions who worked with Joe and retired from DOC in 1998.

Governor,

I will respond to this and then I won't be writing again.

My email to you was entitled CORRECTIONS and had to do with your unconditional support of your friend, Joe Schmidt. Your response addresses the DPA budget.

I won't respond as to the DPS budget numbers or Corrections for that matter. My email was clearly ALL about your response and how bad it looks. You know that. Your response, or lack thereof, only showed me that what everyone is now talking about is exactly true. You don't care what the residents of this State think. You don't care what the employees of the State think or feel. It's all about you and your friends. I am so disappointed.

Re: the budget, not sure where you got the information or numbers you mention in your email, but we invite you to look at the actual DPS budget and the growth you'll see there. For further clarification on the numbers you seem to be referring to, feel free to contact my special assistant on DPS budget, Mr. Randy Ruaro (he's cc'd in this email).

Thank you for contacting me, have a good weekend.

MESSAGE:

Governor Palin,

I have long supported you and have absolutely been in love with how you conduct yourself and conduct business for our State. I have been behind your husband in his desire to go back to the Slope, stating it's no one's business but yours and his. I have applauded you, flying out to be at your son's graduation (my son serves in the U. S. Navy). I have laughed and cried, and more recently read and viewed the pictures of your newborn son, adoring how precious he is and knowing he's being born into a loving and strong family.

Having said all of that, Governor, this time you have missed the mark by a mile with your "unconditional support" of Joe Schmidt. All the good things you've done...have been undone in one fell swoop in my eyes. Everyone knows you went to high school together - so what are you saying? That all of these people are liars and have some ax to grind? I do not have family members who work in corrections - this is just plain old common sense. You seriously need to rethink your stance on this issue. Corrections is in a world of hurt. This man not only didn't ask for more money for corrections (that's fine), but he GAVE some BACK? And now you don't believe the people who have given him a no confidence vote? Come on!

I didn't even write to you when you cut the DPS budget by 1.2 million dollars, and I DO have a family member who serves this State as a State Trooper. That was bad enough...but this....this is just wrong and believe me, you need to seriously think about rectifying this situation, despite the fact that this jerk is your long time friend. Do the right thing. Practice what you preach, Governor.

Sorry - I thought I had described the contents better - just an FYI that we have responded to the criticism of Commissioner Schmidt, letting the union know current tactics need to stop. just wanted you to know that there has been a response and if it continues, I will file an ULP. Just trying to hit the highlights for you, rather than the details.

I can't read it- but I certainly support you filing an unfair labor practice measure if they're messing with Joe and his ability to do his job in protecting Alaskans.

Governor & Mike:

I know you usually are viewing emails through your blackberry - so the gist of the attachment is advising ACOA that its actions with regard to Commissioner Schmidt bring it close to unfair labor practices. If it

doesn't cease, I will file an unfair labor practice. This letter is signed by the Division Director, but if I file an ULP, I will sign it, ratcheting up the response. Commissioner Schmidt has been provided a copy.
